

CORPORATE CHALLENGE 2009

For five weeks starting in March 2009, local businesses will come together pooling their financial and human resources to make a local family's dream of homeownership come true.

Corporate Challenge not only provides an opportunity to improve communication, moral, and camaraderie among your employees, but it is also a high profile community service event aimed at benefiting everyone involved.

Employees do not need any previous construction experience. They will learn valuable teamwork and communication skills in a fun, hands on environment...and lunch is provided!
