*2008 Corporate Challenge - Habitat House #150

Corporate Challenge is a time for team-building and house-building. Every year since 2003, local businesses have come together pooling their financial and human resources to make one family's dream of homeownership come true. Corporate Challenge is a great way to improve communication, moral, and camaraderie among employees. This high-profile community service event benefits everyone involved. Over the past five years, more than forty businesses have participated.

The 2008 Corporate Challenge will begin on March 28, 2008 and will mark a huge milestone for the local Habitat affiliate. House #150!! Contact the Habitat for Humanity office at (979) 823-7200 or development@habitatbcs.org for more information.
